### California Future Business Leaders of America-Phi Beta Lambda Website Launch Party Marks Beginning of a New Era

Norwalk, CA, September 12, 2004- California FBLA-PBL members from all over the state gathered at the home of Danielle Tolentino, Western Region Vice-President, to witness the unveiling of the new capbl.org website.

“This website will help us connect people from all over California and allow us to better communicate with members” says Chris Tuason, California FBLA-PBL President. “The website launch party marks the culmination of two years of hard work and I would like to thank all the dedicated people that were involved in this project.”

At the website launch party, members were able to give feedback and received a guided tour about the site’s features from its webmaster, Lona Kwan, California FBLA-PBL Vice President of Communications.

“Capbl.org was designed with our members in mind and is a one-stop resource for chapter officers, members, potential members, and our corporate partners. Visitors will find information about starting a chapter, downloadable copies of our newsletter, ‘The Connection,’ important documents and forms, information about programs and conferences, an interactive forum for discussions and idea exchanges and much much more,” says Lona Kwan.
